Summer Bus Rules and Policies

Parents Dropping Off and Picking Up Students

- Obey directions of on-site traffic director and stay in carpool lanes.
- Park only in areas designated at each pickup and drop off point.
- Arrive at the bus stop in time to let children safely board the bus so as not to impede the timely departure of the bus.
- When dropping off students in the morning or picking up students in the afternoon, younger siblings must remain in your control; the churches have requested that parents depart parking lots immediately after picking up students.
- Once the bus is in motion departing its location, you may not hinder in any way the departure of the bus. This is for the safety of all students and drivers.
